

### **June 22, 2011 Camp Pendleton Job Club Meeting**

Camp Pendleton's MilSpouse Job Club had their meeting on Wednesday, June 22 at the Abby Reinke Community Center. The meeting is a way for the spouses to come together and give support to each other during their job search.

The meeting was facilitated by BrendaLee Winans, MSCCN Gateway Applicant Specialist and Marjorie Stockholm, Employment Specialist with MCCS' Marine & Family Programs Division. They started out the meeting with discussions on "What are employers looking for in today's job seekers?" and "What can you do to stand out in a crowd?" The spouses were able to use this time and give their opinions, share their experiences and give advice to each other. These meetings provide a great opportunity for all the attendees to share their experiences and to understand that, even though all have experience in different fields, all have the same needs, questions, and concerns about how to get that job. Other topics discussed were how social media can harm your chances of landing that job and Recruiters' pet peeves with resumes and applicants.

Starting in August, Camp Pendleton's MilSpouse Job Club meetings will be the 4<sup>th</sup> Thursdays of the month. For more information contact BrendaLee Winans at [b\\_winans@msccn.org](mailto:b_winans@msccn.org).
