

## **St. Louis Area Dinner Honoring the Marine Corps.**

On June 30th Deb Kloeppe was invited to attend a private dinner, given by CEOs of major corporations in the St. Louis area, honoring the Marine Corps. "To be able to socialize, converse, and capture four hours of time with CEOs and Lt. General Robert Milstead, Deputy Commandant of Manpower and Reserve Affairs, during a fabulous dinner at the Millineum Towers, is a dream come true" said Kloeppe. "Needless to say I have meetings set up with at least two major corporations for (significant) funding amounts towards the MSCCN program!"
