

Navy Tri-Base Job Fair

April 20, 2011 - Jacksonville, FL

On April 20th, 2011, Kay Bruni and Milly Eminger, MSCCN volunteers, attended the Navy Tri-Base Job Fair in Jacksonville, FL. This event was sponsored by the NSB King's Bay, NAS Jacksonville, and NS Mayport Fleet and Family Support Centers and took place at the Morocco Shrine Center from 9 a.m. - 2 p.m. Over 600 separating, retiring or retired servicemembers and their families attended this job fair, which consisted of over 90 companies.

Kay and Milly personally met with 63 military-affiliated job seekers and MSCCN will be following up with each of them. Milly even provided job fair attendees with a short 30-second elevator speech training.

As always, Kay and Milly took such pride and joy in knowing they played a role in giving military spouses and veterans crucial information about a service they did not know was available to them.
