MilSpouse™ job club

Your job search is all about attitude!

The current job market is extremely competitive and it can be very frustrating. You may find yourself spending months sending out resumes and getting very few responses. It is easy to become discouraged, feel defeated, or to simply feel like giving up. It is important to remember that you are not alone – we all feel that way.

Keeping a positive attitude is difficult yet extremely important! One of the purposes of the

MilSpouse Job Club™ is to give spouses a place to share their experiences with others who are in the same situation.

They key is to focus on the positive moments and what you have learned. Every setback can teach you something new and make you more effective if you keep the right attitude. Join us to share your positive moments, your successes, and to help someone else with their job search.

Military Helpline: 1-877-BrAlve-8

The BrAlve hotline is a statewide, toll-free telephone hotline that offers 24/7 assistance to Floridian military personnel and their families who have been impacted by deployment to Iraq or Afghanistan. All calls are free and confidential.

2-1-1 Big Bend is serving as one of four Regional Centers that operate the Florida BrAlve hotline. In addition to the four Regional Centers, all 2-1-1 hotline organizations in

Florida are participating in this project by contributing local community resource information to the BrAlve statewide resource directory.

This free, public searchable directory will be available at www.floridabraive.org/how-help.
