

**Student Officer Spouse Association Presentation
Naval Air Station Whiting Field
Whiting Pines Community Center
July 19, 2010**

Attendee: Stacy Bayton

On Monday, July 19, 2010, MSCCN Outreach Coordinator Stacy Bayton presented MSCCN services and benefits to members of the Student Officer Spouse Association at NAS Whiting Field. The meeting was held at the Whiting Pines Community Center from 6:30 – 8:30 p.m.

There were seven members in attendance at this meeting. The presentation included services that MSCCN provides, an overview of how to upload resumes and search jobs on our Kenexa gateway, and one-on-one assistance with each member about their individual career objectives and needs.

The Student Officer Spouse Association is made up of spouses who are relatively new to military life, most of whom have a degree and/or career focus but are unsure of how to proceed with their career while supporting their service

member. This opportunity highlighted why the MSCCN exists - to share our resources and benefits of course, but most especially to redirect these spouses back to additional services and benefits that are offered through the Fleet and Family Support Center, and remind them that all of the services and benefits discussed, including those through the MSCCN, were available at any military installation.
