

Mike Burton has been with Concentra for 13 years and is currently Assistant Vice President, Concentra Health Solutions where he is responsible for Concentra's At Work program which delivers on-site medical services at the employer's work-site and Concentra Medical Compliance Administration (CMCA) which provides medical surveillance, drug screen and wellness program administration services for employer clients.

Mr. Burton has also served in the U.S. Army with his military career beginning with his enlistment in 1986 where he served 3 years on active duty. In 1989 he transitioned from active duty status into the Texas Army National Guard where he gained his commission in 1992. Mr. Burton served for an additional 18 years with the National Guard to include a 12 month tour of duty in Afghanistan in 2005/2006. Mr. Burton retired from the military at the rank of Major in September of 2006.

Mr. Burton received his Bachelor of Business Administration degree from The University of Texas.
